## **KNOWESIS INC. BECOMES TABLEAU ALLIANCE PARTNER**

Fairfax, Virginia (September 20, 2017)

Knowesis Inc. is pleased to announce that it has entered into a strategic agreement with Tableau Software, a global leader in rapid-fire, easy-to-use business analytics software, to become an Alliance Partner. With this partnership, Knowesis will accelerate the expansion of its service offerings within specialized data visualization services and deployment of Tableau products.

Knowesis provides a full spectrum of business intelligence and data analytics services, including the development of dashboards that are compelling and impactful to federal agencies. Knowesis works with customers to select, implement, configure, and deploy data visualization tools that enable their power users to quickly turn massive amounts of raw data into actionable information. Leveraging the power of Tableau products, Knowesis harnesses the experience, knowledge, and expertise to design and implement the dashboards, visualizations, and mobile analytics that facilitate our customers in making the right data-driven business decisions.

“Knowesis has been delivering Tableau solutions for several years and we are very excited to become an official Alliance Partner,” said Sheilah O’Brien, Managing Principal for Knowesis. “The combination of Tableau’s industry-leading software with Knowesis’ business solutions creates an experienced partnership that provides significant value to the marketplace. “
